

Department of Physiology, GMERS Medical College, Sola
Practical Schedule – Theory Group Discussion (2019-20)

Topics for Theory Group Discussion
Muscle tone
Postural reflexes
Equilibrium
Vestibular Apparatus
Higher Function (Speech , Memory, Learning & Conditioned reflex)
Muscle tone
Postural reflexes
Equilibrium
Vestibular Apparatus
Higher Function (Speech , Memory, Learning & Conditioned reflex)

Practical Schedule – Rotation for Clinical Group Discussion
Date : 22, 24 & 26/04/2019

Topics for Clinical Group Discussion
Pulse, Cardiac efficiency test
Temperature, Sensory System Examination
Blood Pressure
Reflexes
Spirometry, Respiratory efficiency test
Clinical examination of Respiratory System
Clinical examination of CVS
Examination of Motor System
Cranial Nerve- 1, 3, 4, 5, 6
Cranial Nerve- 7, 9, 10, 11, 12
Cranial Nerve- 2
Cranial Nerve- 8
Artificial respiration
